

Dear Retailer

It is with great pleasure that I announce the approval of Omega Refrigeration an officially listed National supplier to the SPAR Group.

National Suppliers are selected through an extensive approval process, which include the following:

- Company financial structure and sustainability.
- Ability to service the SPAR Group on a national level.
- Support infrastructure in the six Major National regions.
- Product/ Service Quality and compliance.
- Viable Company and staff infrastructure.
- Positive past experience with the SPAR Group.
- Works and safety liability insurance cover meeting SPAR requirements.

Omega Refrigeration has met or exceeded all of the required criteria, and we are confident in their ability to be a successful supplier to the group both currently and in the future.

Sincerley
